COMMITMENT TO BIBLICAL LIFESTYLE

New Covenant Christian School's role is to work with the home to mold students to be Christ-like. On occasion the atmosphere or conduct within a particular home may be counter to or in opposition to a biblical lifestyle. This includes, but is not necessarily limited to sexual immorality, homosexuality, substance abuse, or ungodly forms of entertainment. In such cases, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This is in accord with:

- Biblical Precept (Matthew 18:1-10; 1 Corinthians 6:9-20; Ephesians 5:1-12)

STUDENT REGISTRATION

Registration begins March 15, 2021 for K4 & Kindergarten students and April 5, 2021 for new 1st-12th grade students. A \$200 per family tuition down payment is required at the time of registration. It is non-refundable and is credited toward the year's tuition.

FUNDRAISING EXPECTATION

Tuition payments alone do not cover the annual expenses of New Covenant Christian School. In order to keep tuition low, we expect school families to participate in school-wide fundraisers. Participation can take many forms based on the skills and time availability of our school families. But by working together, we can meet our financial goals, grow relationally, and support the lives that are changed through New Covenant. For more information on opportunities to help meet the financial need of NCCS, please call the school office at 517-323-8903.

TUITION PAYMENT OPTIONS

1. ***In Full.*** Full tuition payment is due in the school office by June 01, 2021 (or within 2 weeks of acceptance if school has not begun) in order to receive a 3% discount. If school has begun, full tuition payment is due upon enrollment to qualify for a 3% discount.
2. ***Monthly Payments.*** Monthly payments are required through the FACTS automatic payment plan. Tuition payments are withdrawn on the 20th of each month. Families enrolled before June 10 begin payments on June 20. Families enrolled after June 10 are required to pay one tuition payment within two weeks after registration. Regardless of your enrollment date, your last payment will be withdrawn on May 20, 2022. Thus, returning families and new families enrolled before June 10 are on a 12-month payment plan. Questions regarding this plan should be directed to the school's finance office.

FINANCIAL POLICIES REGARDING TUITION REFUNDS

If a family withdraws a student from school after that month's FACTS tuition payment has been withdrawn, that, and any prior payments will not be refunded. Tuition owed or refunded will be calculated on a monthly basis. This means the family will be responsible to pay tuition for the full month within which the withdrawal takes place.

ABOUT NEW COVENANT CHRISTIAN SCHOOL

THE VISION AND MISSION OF NCCS

The vision of New Covenant Christian School is to launch a generation of world-changers who actively set their hope in God, understand the times, and are prepared to do whatever God directs.

1. *Actively set their hope in God:* We strive to teach our students that in a world of change and uncertainty, God never changes and actively works for the good of those who love Him (Mal. 3:6; Rom. 8:28).
2. *Understand the Times:* NCCS does not just teach students to memorize knowledge, but also to apply knowledge in ways that are valuable and relatable for individual students. In this way, students learn to mediate news and culture through Scripture, enabling them to implement God's principles in the culture around them (1 Chron. 12:32).
3. *Prepared to do whatever God directs:* Since God creates all people in His image, each student has a unique destiny and purpose. New Covenant unites with parents to help students understand and grow in their unique callings (Gen. 1:27; 1 Cor. 12:12).

The mission of NCCS is to assist Christian parents in training their children to know God intimately, grow as lifelong learners, and sow God's Kingdom presence wherever He plants them.

1. *Know God intimately:* The school's primary duty is to aid parents in discipling students. Discipleship begins with having a relationship with God through Jesus Christ. To support this duty, NCCS is a relationship-based school. We foster close connections between all of the elements of the school community, thereby creating family that is united in worshiping God.
2. *Grow as lifelong learners:* Learning at NCCS is fostered by our school culture, which seeks to make the learning experience fun, joyful, and applicable. It is not uncommon for students to dislike snow days! This love of learning creates a foundation early on which can persist throughout one's life, enabling them for success in any endeavor.
3. *Sow God's Kingdom presence wherever He plants them:* Success is not defined by paychecks or material goods. Rather, as God's people, we are called to seek first God's Kingdom and righteousness (Mt. 6:33). Thus, NCCS students are encouraged to become citizens of God's Kingdom first; secondly, they are taught how to spread God's love and Lordship over every area of life.

STATEMENT OF FAITH

The following presuppositions are foundational to our school and to the education of our children.

The Bible: We believe the Holy Bible is the inspired Word of God, and it is our standard for faith and practice.

God: We believe in the one triune God revealed in the Bible. He is Creator, Redeemer, and the Sovereign Ruler of creation. He is the Author of truth, love, and faith.

Sin: We believe that man was created in the image of God. Through disobedience mankind is separated from God, and without God he is without hope in this life and in the life to come. Man's salvation is totally the work of God whereby He solemnly binds Himself to all who confess Jesus Christ as Lord and Savior, bringing them from the state of eternal separation and sin to the state of reconciliation and glory through faith in Jesus.

Jesus Christ: We believe in Jesus Christ, the incarnate Son of God, who was crucified and died substitutionally for man's sin, was buried, raised from the dead on the third day, and ascended to the right hand of God the Father. The scriptural evidence that one has repented from sin and put his faith in Jesus Christ includes public confession of Jesus as Lord and water baptism.

Covenant Life: We believe all who confess Jesus Christ as Lord and King are part of His Kingdom and should live in covenant loyalty with one another. This means laying down our lives for one another, and on a daily basis, learning to forgive and love one another as brothers and sisters.

Church: We believe that the very nature and purpose of God is revealed in His Church. The Church is Christ's Body on earth. We believe that the Church Universal consists of all believers, while the Church Local is a body of believers baptized and joined together, practicing the new covenant. Since the Church is one as God is one, the Church Local must seek to walk in harmony with the Church Universal.

Holy Spirit: We believe there are many experiences which are valid encounters with God. "Baptism in the Holy Spirit," being "filled with the Holy Spirit," and "being anointed by the Holy Spirit" are among those scriptural terms used to describe such encounters. These experiences should produce greater commitment to God's will, greater realization of His power, and greater edification of His church. Moreover, we believe that the Holy Spirit imparts gifts or abilities greater than our own to accomplish His will. These gifts include miraculous healings, revelations, and utterances. These gifts ought to be operative in the Church, supervised by mature leaders, and ministered in love by Christians whose lives reflect Godly character.

Ecumenism: We believe God views His people as one people. This is true historically and currently. There exists in all our people a deep prayer to see God's people walk together in peace.

Christ's Return: We believe in the visible return of Jesus Christ to manifest His government on the earth. We believe Christians should longingly look for His appearing, giving full attention to obedience while He tarries. We believe that the righteous who have died and are now with Him will be resurrected at His appearing.

Conclusion: These principles of our faith are foundational for God's continuing leadership in our lives. We realize that our statement of faith does not relieve us of the responsibility to live by faith. We gratefully acknowledge those who have served in ages past, and we bless them in their eternal state for their faithfulness. We acknowledge those who serve Jesus Christ now, even when their doctrinal expressions may be different from our own. We desire to walk with them as brothers and sisters. Our statements are not to be construed as walls but as doors through which others may communicate with us and we with them.

CLASSICAL CHRISTIAN EDUCATION

New Covenant Christian School implements the classical model of education, which focuses on reading, writing, thinking, and speaking well. Through the grammar, logic, and rhetoric stages (known as the Trivium), students are guided through the process of learning at their natural levels of progression. Throughout this model, New Covenant Christian School places Scripture as the foundation of all truth and reason, represented in both the living and active Person of Christ and the Word of God.

With the completion of the Trivium, students will have mastered the real tools of learning – fundamental building blocks, analytical skills, mental discipline, oral presentation, writing skills, and a Biblical framework. They should be enthusiastic, independent learners, able to tackle virtually any new area of study competently and from a distinctly Biblical and Christian worldview. At New Covenant Christian School, we seek to restore and employ this time-proven method in the education of the student.
