

TAP Sign-up Guide

- Complete the 2 page enrollment form and return to me. I have a box in the Teacher's workroom where you may drop it off.
- Make sure that you list any authorized people to pick up your order. It will not be released to anyone that is not listed on your enrollment forms.
- Set up an account on www.raiseright.com
- Click on "Sign-up".
- Click on "Join a program".
- Our enrollment code: 1A6958BL248
- Input your information. Please make sure to fill in the family name that you are helping. i.e. "Smith Family". This allows me to give the proper credit amount to that family.
- Presto Pay is the only form of payment we accept. You can choose to link a bank account or pay with a credit card for your orders. Credit card payments will require extra fees. Sign into your RaiseRight account and follow the Presto Pay sign-up prompts.

Please feel free to contact me with any questions.
