CHURCH OF THE WEEK: This week the students and staff of NCCS will be praying for **South Church**. Please add them to your prayer list this week. ♦

CHICK-FIL-A SPIRIT NIGHT:

On next Tuesday, May 23rd from 5-8pm, NCCS will be joining together with Chick-Fil-A for an NCCS Spirit Night!! Anyone who uses the NCCS/Chick-Fil-A voucher form when they dine-in at Chick-Fil-A Lansing, will help NCCS earn cash. Mrs. Holmes and the McGlones will be in the restaurant meeting and greeting anyone who stops in. There will be raffles for Chick-Fil-A prizes. Plan on joining us next Tuesday for dinner and bring all your family and friends who love Chick-Fil-A. Make sure they redeem a voucher when ordering (vouchers will be sent via separate email). ♦

END OF YEAR TAP

PROGRAM INFO: All orders for physical gift cards have concluded for this school year. You may place orders for ScripNow and reloads throughout the rest of the school year and the summer. Orders for physical gift cards will resume in the fall. Contact Jennifer Crippen at tapnccs@aol.com if you have questions. ♦

IT'S REALLY NOT TOO LATE TO HAND OUT BROCHURES:

Maybe you can't mail them out but there's still time to personally hand out brochures for the Serve-a-

TON. We're at 60% of our Serve-a-TON goal of \$20,000!! With everyone's help, we can reach 100% very easily. A lot of little amounts add up when many people participate. ♦

SUMMER LUGNUTS OPPORTUNITIES:

Once again our school families will have the opportunity to work in the Lugnuts concessions area to help the school AND to credit toward your family fundraising requirement for the 2017/2018 school year. **If you are interested in working one or more Lugnuts games, you must contact Paul Ciucci** at pastorpaulciucci@aol.com or (517) 703-3478 to get on the email distribution list. ♦

SENIOR CLASS MISSION TRIP

DESTINATION: The Senior Class of 2017 will be serving right here in Lansing!! And we all know that sometimes the mission field is our own backyard. They will be helping the staff at Teen Challenge's Sister's Maternity Center with a variety of projects. They will be serving all next week, the week of May 22nd. Teen Challenge is a ministry that helps adults, teens, and families to break free of addictions. ♦

PRINCIPAL MCGLONE'S CORNER:

Is it my job to make the world adjust to my kids?

By Jim Fay (Love and Logic)

I have told you these things, so that in me you may have peace. In this world you will

have trouble. But take heart! I have overcome the world.

John 16:33 NIV

Consider it a sheer gift, friends, when tests and challenges come at you from all sides. You know that under pressure, your faith-life is forced into the open and shows its true colors. So don't try to get out of anything prematurely. Let it do its work so you become mature and well-developed, not deficient in any way. James 1:2-4 MES

Do you know people who are trying to create a perfect environment for their children? Are they more concerned about getting the world to adjust to their kids than they are about helping their kids learn to cope with and deal with the world as it exists today?

(continued next column)

(continued . . .)

In spite of the efforts of many to create a perfect country where no one will ever be offended, where bad decisions will have limited consequences, where good outcomes are guaranteed regardless of effort and sacrifice, and where kids never have less than the neighbors' kids, our kids are still living in a world that requires effort and resilience.

Our love for our kids tempts us to do all we can to make their childhood better than ours. It tempts us to try to eliminate disappointment, struggle, and inconvenience from their lives.

Each day we need to remind ourselves: Whose needs are being met when we attempt to guarantee that our kids are never disappointed, never get less than an "A" grade, never have to struggle, never take risks, never fail, and never have less than the neighbor kid?

Is it my job to make the world adjust to my kids, or is my job to help my kids develop resilience so that they can fit into a world they're going to face?

Trying to create perfect environments for our children is about as successful as creating perfect children. To think otherwise is a delusion. ♦
