

Making a Difference

Locally and Nationally

Is What We Do

at New Covenant Christian School!

This spring, **our entire school will be volunteering** to do grounds keeping and spring clean up for the City of Lansing. It is an opportunity for our school to help others and we are glad to do it!

Our hard work helps to **beautify the community** and the fundraising helps raise necessary funds for the school.

Rather than doing a jog-a-thon or a 5K, the **Serve-A-Ton is a perfect "fit" for who we are.**

NCCS has logged more than 4,000 volunteer hours at our annual spring service days... **that's over 2 TONS!**

Every year, we also do a high school service day in the fall and a senior class mission trip in the spring to various locations in the United States.

Will you sponsor me in this year's Serve-A-Ton?

100% of your donation goes to the school and is tax-deductible. Through your giving, you are impacting lives for generations!

MISSION

To assist Christian parents in training their children to KNOW God intimately, GROW as lifelong learners, and SOW God's Kingdom presence wherever He plants them.

VISION

To launch generations of world-changers who actively set their hope in God, "understand the times," and are prepared to do whatever God directs.

YES! I agree to sponsor the _____ family in the New Covenant Christian School Spring Serve-A-Ton. Please complete the information below and refold with the school's address showing.

First Name										Last Name									
Street Address																			
City										State					Zip				
Area Code					Phone
